

# VALDECURIEL

## CRianza

D.O. RIBERA DEL DUERO

### GRAPE VARIETY

Tempranillo 100%

### PRODUCTION

10,000 Bordeaux bottles of 75 cl.

### VINEYARD

The vineyards which give origin to this wine are located in Curiel de Duero (Valladolid), in the very heart of Ribera del Duero.

The vineyards of more than 25 years old, of Tempranillo variety, are located in our estate Valdecuriel, which has a very particular characteristic, its clay-chalk soils with the bedrock without fragmentation for at least on meter the surface. The other singularity is its height of about 850 m.

### ELABORATION AND AGING

Harvested by hand, at their peak of ripeness in 15 kg boxes. The grapes are chosen at the selection table, and after the stems are removed. The grapes are vatted in deposits from the stainless steel. We perform a cold maceration, with the posterior alcoholic fermentation at about 25° C.

Thanks to the light ageing in the French and American oak barrels during 12 months, the wine is full of fruity aromas but with maturity and elegance.

# WINETASTING

**Characteristics** Shows morello cherry color, clean, brilliant dress. In the nose it becomes expressive, lively, with aromas of ripe fruit, minerals, spices, truffle. Sensations well balanced in the mouth, mature, hints of cocoa with certain persistence.

**Wine Matching and Serving** Best to be served accompanied by rice, fish and red meat. Its optimum serving temperature is between 15° and 18° C.

<b>Analisis</b>	ALCOHOLIC STRENGTH .....	14,80 % vol.
	pH .....	3,87
	TOTAL ACIDITY (TARTARIC) .....	4,44 g/l
	VOLATILE ACIDITY (ACETIC) .....	0,51 g/l
	TOTAL SO <sub>2</sub> .....	55,00 mg/l
	FREE SO <sub>2</sub> .....	11,00 mg/l
	REDUCING SUGARS .....	1,70 g/l

**Date of Winetasting** January, 2012.
